By Mortimer Abramowitz

Fellow, New York Microscopical Society
Consultant, Technical Information, Olympus America Inc.

For Olympus America Inc.
Volume 1, Revised 2003, Basics and Beyond Series

Acknowledgements

Dedicated to Kiichi Hirata and George Steares for their intelligent and sensitive leadership of the Scientific Equipment Group of Olympus America.

With special thanks to William Fester for invaluable help with editing and layout, and to Michael Davidson and Kevin Reid of Florida State University for generous layout and drawing of diagrams from our websites:
